The Mongolian Economic Forum will organize the Mongolian Business Summit in cooperation with the Government of Mongolia on June 19-21, 2014 in Ulaanbaatar, Mongolia. The main objectives of the Summit are to provide a comprehensive, up-to-date and sector-specific information on foreign investment environment of Mongolia; present planned Public-Private-Partnership projects in mining, infrastructure, processing industry, agriculture, wool and cashmere, food and building materials sector.

The 3-day Mongolian Business Summit will serve as an excellent platform for participants to interact directly with government officials, international investors, leading companies, and gain in-depth knowledge on Mongolian investment environment and promising business opportunities. During the Summit, optional tours including visits to mine sites, cashmere factory, agricultural, food and processing facilities and cultural destinations will be offered.
